

## Agreement establishing the CLIL-VET Network

### §1. General provisions

1. This document sets out the principles of cooperation between:

Łukasiewicz Research Network –  
Institute for Sustainable Technologies,  
Poland

University of Warsaw, Poland

Eduexpert, Poland

Pädagogische Hochschule Wien, Austria

Universitatea din Pitesti, Romania

IES Puertas del Campo, Spain

hereinafter referred to as Network Coordinators.

2. The Network Coordinators establish a cooperation under the name CLIL-VET Network, hereinafter referred to as the Network.
3. The Network is a result of the Erasmus+ project “Implementing the CLIL-VET model in vocational schools,” founded through the European Commission’s support, implemented from November 1, 2017 to August 31, 2020.
4. The Network Coordinators declare that they voluntarily agree to cooperate within the Network and sign this Agreement.
5. Cooperation within the Network is open and in accordance with §3 other entities interested in cooperation may join it.
6. The network has no legal personality, in no way interferes with the form and scope of activities of its Members and does not limit the possibility of signing similar agreements with other entities.

## **§2. CLIL-VET Network**

1. The Network is a group of entities consisting of the Network Coordinators and Network Members.
2. The main objective of the Network is to promote the CLIL-VET model in vocational schools.
3. The specific objectives of the Network include:
  - promotion of high-quality language education in vocational schools;
  - raising language competences of vocational students;
  - exchange of experience of vocational teachers and institutions using CLIL methodology;
  - supporting the implementation of innovative solutions based on CLIL methodology;
  - popularizing CLIL methodology among people associated with vocational education.
4. The detailed scope of cooperation related to the implementation of the Network's objectives may be additionally agreed in writing between the Network Members.
5. The Network realizes its goals mainly by providing open educational resources and running a forum on the project platform [www.clilvet.erasmusproject.pl](http://www.clilvet.erasmusproject.pl)
6. The platform's administrator is Eduxexpert, Poland.

## **§3. Membership in the Network**

1. Membership in the Network is voluntary and free of charge.
2. Membership in the Network is conditioned by signing the Declaration of joining the CLIL-VET Network and:
  - a) acceptance of the content of the Agreement establishing the CLIL-VET Network and the rules applicable in it;
  - b) acceptance of the membership Declaration by the Network Coordinators.
3. Membership in the Network terminates as a result of:
  - a) Member's written resignation;
  - b) exclusion by Network Coordinators, which may occur as a result of acting to the detriment of the Network or its Members.

## **§4. Final provisions**

1. The Agreement establishing the CLIL-VET Network has been made in six identical copies.
2. The provisions of this Agreement shall enter into force upon signature.
3. The Agreement is concluded for an indefinite period.

Warsaw, 5/03/2020
